## TOOLS & SYSTEMS

Google Workspace | Microsoft Office (Excel, Word) | Telegram | X (Twitter) | Discord | LinkedIn | Slack | Zoom | ClickUp

## PROFESSIONAL EXPERIENCE

### Marketing Executive and Operations Coordinator | CryptoJack Media

*Dec 2024 – Dec 2025 | Remote*

- Researched target projects and reached out to 2,000+ projects via X (Twitter), LinkedIn, and email, securing 200+ direct partnerships and building collaborative relationships.
- Created and managed collaboration groups to streamline communication between clients and internal teams.
- Maintained structured Excel documentation of 2,000+ project entries and created charts to track performance and support accurate reporting.

### Customer Support Specialist | Recon Labs

*Nov 2023 – Sep 2025 | Nigeria, Remote*

- Resolved customer inquiries and failed-transaction issues on a contactless payment app, handling 15–30 support tickets daily across chat, email, phone, and social channels.
- Identified recurring failed-transaction patterns and escalated issues to the product and engineering teams, contributing to faster fixes and fewer repeat complaints.
- Maintained consistent response times despite high ticket volumes and used clear, empathetic communication to reduce frustration and rebuild customer trust.

### Community Manager | TeleSwap

*Nov 2024 – May 2025 | Remote*

- Managed Discord and Telegram communities of 3,000+ members, sharing updates and announcements while enforcing community guidelines.
- Supported 200+ users by addressing queries, hosting community events, and coordinating team-organized events to support participation.

### Marketing Executive Intern | Kurve

*Oct 2024 – Apr 2025 | Remote*

- Researched target organizations and conducted outreach to 60+ prospects to initiate partnerships and support community growth and digital presence.
- Managed client and team email communications and maintained organized Excel records of contacts, outreach progress, and data for reporting.

**Community Moderator | PawX**

*Jun 2024 – Sep 2024 | Remote*

- Managed engagement for 2,000+ community members, onboarded 50+ new users, resolved issues for 100+ members, and coordinated technical concerns with developers.

**Community Moderator | Cassava Network**

*Feb 2023 – Sep 2024 | Remote*

- Moderated Discord and Telegram communities of 15,000+ members, upheld guidelines, resolved user concerns, and escalated technical issues to developers.
- Collaborated with the Community Manager on weekly engagement plans and events, collecting feedback to improve the community experience.

**Community Moderator | Movepad**

*Sep 2021 – Jun 2023*

- Engaged 4,000+ community members through discussions and onboarding initiatives, monitored interactions, and maintained community standards.
